

KRITSATORN SAENGWEANG

WEB DESIGN,
ALGORITHM,
A.I.
STUDENT

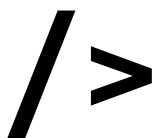

/ ALL ABOUT ME

From being in an internship, I know that I like to be a manager in one day so I dedicated most of the time for learning everything in the product to improve my knowledge and perspective.

I hope to bring my skills to develop and apply to maximum benefit in the future.

< ME >
I WILL DO EVERYTHING
TO REACH
THE MOON

< / ME >
